## Topic: Paddington Bear

### Geography activities

For our Geography this half-term, we are following Paddington Bear on his travels through the UK. Although we are having to stay indoors, it doesn't mean we can't join Paddington on his travels! We would like you write about some of the places and landmarks you have visited and share with your teachers.

Take a look at this website—it has lots of information about all the different places in the UK:

You can also create a landmark craft or a landmark picture that we will display in class on our return. Here are some ideas to help you.
