Hero
Villain
Winter
Spring
Ice

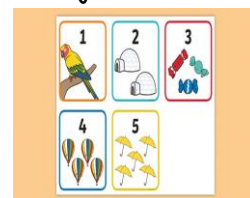

Maths

1. Look at the numbers 1-5.

2. Find and say the numbers

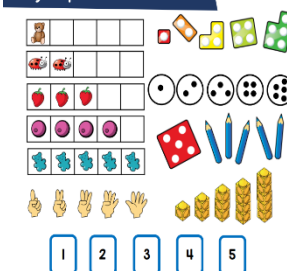

3. Count the number of objects.

4. Show the number in lots of different ways.

Reception - Notes and guidance

Key Representations

Celebrations

We will be exploring the celebration of 'Chinese New Year'. We will be thinking about the different customs and what children do to celebrate Chinese New Year.

We will be observing the changes to the weather and how winter is different to the other seasons.

Please remember to dress your child warmly as we go outside in all weathers. The outdoors is a key part of the children's learning. In Early Years we encourage all the children to experience the outdoors, which is extremely beneficial to the children's development.
