

# Year 1 Newsletter Spring 2<sup>nd</sup> Half 2022-23

Be Brave...Dream Big!

Our topic this half term is 'Man on the Moon'.

## History

In History, we will be finding out about Neil Armstrong's life and his role in the moon landing in 1969. We will compare his experiences with another explorer from history, Christopher Columbus, who is known as 'the man who discovered America'.

We will be making space sculptures as part of our Art project.

**If you have old newspapers at home, please bring them in!**

## Maths

We will continue to develop our calculation skills and use our knowledge to build and represent numbers to 50. We will practise counting confidently in 2s and 10s and will be exploring measuring weight and volume.

Knowing number facts fluently is extremely important in Year 1 and recalling 1 more/ less than numbers to 100 and pairs of numbers to make any number up to 10 will be practised daily. **This is something you can work on with your child at home.**

## English

This half term, we will be writing all about the moon landing in the style of a recount. We will be continuing working through the phonic phases.

We will be learning how to turn words into plurals and continue to improve spelling and handwriting.
