Make a difference. Be outstanding.

14th September 2020

Parents/Carers

I just wanted to say a massive thank you to you all for your patience and understanding last week with regards to the phased return back to school. The staggered start and finish times, including the different pick up points have started to work much better now and everything seems to be running more smoothly. Well done everyone 😊

At the end of the day some children leave via the main hall or through the large green gates to meet parents and this is working really well. However, a couple of staff members had some concerns last week as they were worried that groups were gathering very close to the very busy Holbrook Road. Once your children have been collected please leave the area quickly so everyone keeps safe. Thank you.

Rule of six applies from Monday 14 September

The new government guidance has been brought in now and the gathering of more than six people from different households are prohibited. Please can I politely remind you to avoid gathering in large groups outside of the school gate. Please wait in other local areas, like the 'Rose Garden' or nearer the church if you have arrived earlier to collect your child. We need to avoid overcrowding the entrance gate which leads onto the school site.

The virus is still out there and we need to keep everyone safe. Should you wish to wear a mask or face covering on the school site at the end of the day please feel free to do so.

Walking around the school over the last week I've noticed how eager the children are to learn again. They've had to quickly learn different routines but they have all done brilliantly. Your children have returned back to school with such a positive attitude and are a real credit to you all. They are working hard, being respectful and back to learning and seeing their friends.

Keep safe and keep smiling

Mrs K Stocks
