9<sup>th</sup> October 2020

Dear Parents and Carers

A big thanks to all those who are wearing face coverings/masks when you come onto the school site and even when you're waiting outside the school gates where there are more adults gathered. By doing we are helping each other to stay safer during these testing times and especially as the R-Rate has been creeping up.

### HOTDINNERS

Caterlink, the catering company, who provide the school lunches will be providing hot dinners again for all children from Monday 19<sup>th</sup> October. Please look on the website for the autumn 2020 menu choices. The children having a school meal make an electronic choice in the classroom every day.

Hot food will be delivered to the classrooms and the children will continue to eat their lunch in their class. Remember children in Year R, 1 & 2 are entitled to free school meals. Each day. If you have to pay please use the SCOPAY app to purchase lunches, which are now £2.15. Alternatively, we can still take cash at the school office, in advance of booking lunches.

We have had several incidents where drivers are still trying to get to the top of Fyning street (which is a dead end) to try and drop off or collect their children! It is very dangerous to try and do a 3-point turn right outside the busy school gates where children are entering or leaving school. Please park away from the top of Fyning Street. Alternatively, if you have to use a car, try Charles Street, Northam Street or Asda as a safer option for you to park before you drop off or pick up your children. Thank you

Please let the office know if you **do not wish** your child to be on social media. We need to update our records for safeguarding and GDPR reasons. Each week we are displaying the 'wall of fame' children on our YouTube channel and obviously we need to ensure we have the right children on there without upsetting anyone. Thank you for your help with this.

### After School Clubs

We have tentatively started up after school clubs again and have started up some outdoor sports clubs, which are managed by Mr P & Mr Denford. To avoid mixing of 'bubbles' children remain in their class teams and wear a coloured band. Please call the office if you're interested in finding out more information about these clubs. Hopefully, we'll start to introduce more after the half term.

Please remember to supervise and regularly check what your children are up to online. Recently, I've been aware of children setting up online chat groups which have become a forum to target and bully individual children. This matter is always taken seriously, especially by the police, so it is vital that you monitor your children's cyber activity. If you are concerned or wish to find more information there is a link, on our website (bottom right-hand corner) called 'CLICK CEOP' for more advice. <https://ceop.police.uk/safety-centre/>

I've had several children come to me over the last couple of weeks complaining about lots of grown-ups smoking outside of their school gates. Please can I respectfully ask that you smoke away from the main gated entrance to the school at the start and end of the day. Thank you for your support and help in this matter.

Last day of this half term - Friday 23<sup>rd</sup> October. Children return back on Monday 2<sup>nd</sup> November.

INSET day (staff training) – Friday 27<sup>th</sup> November 2020

Take care everyone, have a wonderful weekend everyone and keep safe

Mrs Karen Stocks
