Dear parent or carer

We are delighted that you are considering sending your child to a Portsmouth school in September 2017.

Portsmouth City Council is committed to working in close co-operation with school staff, governors and parents to make sure that all children in Portsmouth have an exciting, rewarding and successful experience in school. To this end we are ambitious for Portsmouth’s children and we are working with schools:

• to improve exam results for all pupils
• encourage more schools to become ‘good’ and ‘outstanding’ schools
• to improve pupils’ attendance at school

As a parent or carer you have an important role to play in your child’s education. We strongly encourage and hope that you will get involved in supporting your child’s school as this will, in turn, benefit your child’s education.

In this booklet you will find:

• the application and admission process for infant, primary, junior and secondary schools
• the admission policies for infant, junior, primary and secondary schools
• general information

If you have any questions or concerns, please contact either the school you have applied to or the Admissions Team at the Civic Offices on 023 9268 8008 who will be happy to help you.

We wish your child every success at a Portsmouth school.

Councillor Young
Cabinet Member for Education

Equal preference flow chart
(This is how school places are allocated)

All preferences are put in to each school’s pot

All preferences are ranked against the criteria of the admissions policies of each preferred school. Your preference order is not used at this stage

Once ranked against the criteria in the admission policies, provisional offers are made for each school up to the number of school places available (PAN). Again your preference order is not used at this stage

At this stage some applicants may end up with more than one school provisionally offered. **Now** your preference order is used. By law we must offer your highest possible preference. Any school places no longer needed (the lower preference schools) are returned to the school’s pot to be further allocated to other applicants.

The admissions policies with the criteria are on pages 22–52, as well as information regarding the pattern of applications the previous year on pages 63–68.

**For example:** you may be a regular worshipping Catholic applying for a Catholic school and be offered that school, you may also have applied for your catchment school and be offered that school, you may have applied for an undersubscribed school where you have no criteria and be offered, ending up with three potential offers at this stage.

**Example A.** You have not been offered preference 1 but have been provisionally offered preference 2 and preference 3. The LA must discard preference 3, offer (allocate) preference 2 and invite you to join the waiting list for preference 1 for which you have been unsuccessful.

**Example B.** You have been provisionally offered all three preferences. The LA must discard preferences 2 and 3 and offer (allocate) preference 1.
Applying for a school place
This section will help you understand the process of applying for a school place

Co-ordinated admissions process
Portsmouth City Council (PCC) and other local authorities (LAs) are required to take part in a cross-border co-ordinated admission scheme for main round admissions. This allows parents to complete one application form from their home local authority, regardless of the school and the area they wish to apply for a place in.

This is known as a ‘Common Application Form’ (CAF). Portsmouth operates an ‘Equal Preference’ admissions scheme (see flow chart opposite) in line with government requirements. Further information is contained in the ‘How are places allocated?’ section on page 13.

How to contact us
The information in this book is issued by:
- Admissions Team
  Portsmouth City Council
  Civic Offices
  Guildhall Square
  Portsmouth
  PO1 2EA
- Tel: 023 9268 8008
- Email: admissions@portsmouthcc.gov.uk

How to apply for a school
As part of a co-ordinated admission scheme, parents need to complete only one application form for each child.

You can either apply online or by completing a paper application form. This booklet provides information for Portsmouth residents:
- applying for starting school
- transferring to junior school (Year 2 to 3), and
- transferring to secondary school (Year 6 to 7)
- transferring to Year 10 at UTC Portsmouth (see p51)

Non-Portsmouth residents should contact their home local authority or visit their website for information on applying for a school and the admissions process.

In-year applications
If you wish to apply for a school place at any other time, please look at the information sheet ‘In-year applications – applying for a school place at other times during the school year’ and the ‘Admission to primary and secondary schools – information for parents 2016-17’ booklet.

These are available on our website (www.portsmouth.gov.uk/schooladmissions) or on request from the Admissions Team.

Closing dates and allocation dates
There are different closing dates and allocation dates for starting school applications/junior transfer applications and secondary transfer applications.

The closing date for secondary transfer applications is Monday 31 October 2016 and allocation date for these applications is Wednesday 1 March 2017.

The closing date for starting school and junior transfer applications is Sunday 15 January 2017 and the allocation date for these applications is Tuesday 18 April 2017.
Applying online

Secondary transfer
From Friday 9 September 2016 until Monday 31 October 2016 you can apply online at www.portsmouth.gov.uk/schooladmissions

Starting school/junior transfers
From Monday 7 November 2016 until Sunday 15 January 2017 you can apply online at www.portsmouth.gov.uk/schooladmissions

All you need is access to the Internet and an email address. If you don’t have access to the Internet at home you can access the Internet at any city library or at the civic offices.

What are the benefits of applying online?
- quick and easy
- you can make changes to your application up to the closing date
- no risk of the application getting lost in the post
- an email acknowledgement of your application as soon as you have submitted it
- an email advising you of the outcome of your application on allocation day
- facility to accept your allocated place straight away
- links to other useful information and websites

Application forms
If for any reason you are unable to apply online you can obtain an application form from us or from any infant, primary or junior school in Portsmouth. You may use this form to apply for any school whether it is in your own or another local authority area.

Non-Portsmouth residents
Non-Portsmouth residents who wish their child to attend a Portsmouth school need to contact their home local authority for an application pack. See contact details on page 80.

Starting school

Portsmouth residents
Parents who have children starting school should apply online or request an application pack from the council OR from the nearest infant or primary school. Application packs will be available from Monday 7 November 2016.

Please contact us again (see page 9) if you do not receive your application pack within two weeks of your request.

Transferring from Infant to Junior School

Portsmouth residents whose child currently attends a Portsmouth infant school
In mid October you will receive a letter via your infant school advising you how to apply.

Portsmouth residents whose child currently attends a school outside Portsmouth
In mid October you will receive a letter advising you how to apply.
Transferring to secondary school

Portsmouth residents whose child currently attends a Portsmouth school

In September you will receive a letter via your child’s school advising you about applying.

Portsmouth residents whose child currently attends a school outside Portsmouth

In September you will receive a letter advising you how to apply online or request an application form.

Transferring from an infant school (Year 2) to a primary school (Year 3)

You cannot apply for a place in year 3 for a primary school as a junior transfer application (except for 15 places in Year 3 at Copnor Primary School, which are allocated through the junior transfer process). You must apply under the in-year process (see ‘In-year applications’ on page 9).

As children attending primary schools automatically move into year 3, we will not know whether there are vacancies until after the allocation date for junior schools. Therefore if your child is in an infant school you are strongly advised to apply for a junior place for your child to ensure they have a school place for Year 3.

Where can I get help to complete the application?

If you require help or would like advice about completing your application please contact us.

What are my rights?

You have the right to express a preference for a school. However, this is not a free and open-ended choice. The law says that the local authority must do everything it can to meet your preference within the limits of ‘efficient education and the efficient use of resources’.

Whether or not a place can be offered will depend upon the number of other applicants who want places at the school and the number of places available.

If a place is not offered at any of your preferred schools, your child’s name will automatically be added to the waiting list for the schools. You will then be asked to confirm if you wish to remain on any waiting lists. You also have a right to appeal to an independent panel.

You can use pages 63–68 as a guide to expressing realistic preferences based on your individual criteria for a school.
How should I decide on my preferred schools?

Parents submit only one application form stating up to six preferences for starting school or up to three preferences for junior and secondary. If parents submit more than one application form then the application with the latest signature and date will be used as the admissions application. It is therefore important to gain as much information as you can to decide which school to put on your application.

Contact schools direct for a copy of their individual prospectus or view their website (see pages 56 to 60) and for dates of any open days or evenings (see page 7). Copies of inspection reports by the Office for Standards in Education (OFSTED) are available from schools, libraries and from the OFSTED website www.ofsted.gov.uk. School performance tables can also be viewed on the Department for Education (DfE) website www.education.gov.uk

You need to be aware that many schools in the city are heavily oversubscribed and this is important to remember when deciding on your preferred schools.

In previous years, at a number of schools in Portsmouth, it has not been possible to meet all preferences. If a school is oversubscribed by the number of applications for places available, the admission policy is used to allocate the places. When considering your preferred schools, you are strongly advised to look at the school’s admission policy criteria and consider which category you would come under.

It is important when applying for a school place:

- to understand the order in which places are allocated if a school is oversubscribed by reading the admission policy for the school
- to be aware of your designated catchment school and consider whether this needs to be one of your preferences (it doesn’t have to be your first preference school). Please note that transport assistance can only be considered if you have applied for, and been refused a place at your catchment school.

Who can apply?

Applications must be made by a parent or carer who holds legal parental responsibility for a child. Only one application should be made per child. Any dispute will have to be resolved between the parties before the LA can process the application.
The admissions process
This section will help you understand how places are allocated

Proof of address
We will check the address on your application against the records we hold for your child’s current school/nursery and against council tax records. We may also require you to submit proof of address including council tax bills, utility bills, Child Benefit or other specified address evidence on request.

What are my chances of getting my preferred school place?
This can be difficult to assess as the pattern of applications changes from year to year for each school. It would be unwise to assume that your child is guaranteed a place at a particular school based upon the pattern of applications in previous years. Generally, if a school has been oversubscribed you will need to consider if your child would meet any of the admission policy criteria and the priority of that criterion.

For information on previous years’ applications see pages 62 – 68.

! Living in the catchment area does not automatically guarantee a place in a school.
! A sibling link at the preferred school does not automatically guarantee a place.
! If your child is transferring from infant to junior school or to a secondary school, they are not automatically guaranteed a place if they attend a linked feeder school (see pages 62 for feeder schools).
! If you are successful in gaining a place at an infant school which is not your catchment school, you may not gain a future place at the junior school that it feeds into as catchment is a higher criteria than feeder.

This is the same for many of the junior/primary schools who are feeders for secondary schools.

! For children starting school, attendance at a nursery – even on a school’s premises – is not a criterion and does not guarantee a place in the school.

How are places allocated?
We use an ‘Equal Preference Scheme’. This means at the first stage, each of your preferences is considered for that school regardless of your preference order. If a school is oversubscribed by the number of applications, places will be allocated strictly according to the admission criteria stated in the admission policy for that school. If a school is undersubscribed then places can be offered to all applicants.

If we are able to potentially offer a place at more than one of your preferences, the place will be allocated at the school which you have ranked the highest.

If a place cannot be offered at any of the preferred schools, a place will be offered at the catchment area school (if places remain available), or the next nearest school with places available. Parents will also be advised of alternative schools with places available at that time. Please refer to the ‘Equal preference flow chart’ on page 8.

Please do not name the same school more than once as this will not increase your chance of obtaining a place at the school and will limit your number of preferences.

If you do not apply to your catchment area school as one of your preferences, you will not automatically be offered a place there if you are unsuccessful with your other preferences.

Call the Admissions Team on 023 9268 8008 or email admissions@portsmouthcc.gov.uk
(as your catchment area school may already have filled with preference requests). You need to consider whether your catchment school should be one of your preferences.

Please be aware that you may not be eligible for transport assistance to school if you have not applied for your catchment school.

What is an admission policy?
Each school in the city has an admission policy. The policy will describe the order in which places are allocated when there are more applications than places i.e. if a school is oversubscribed.

The admission policies are on pages 22 to 52.

Home address for allocation
The address used in the admissions allocation process is the child’s permanent residential address on the closing date.

Only one address can be used on the application form and considered as your child’s residence for allocation purposes.

Children residing within a split family
Parents must nominate one of their addresses as the child’s address for the application if the child spends part of the week with each parent. This must be the address of a parent not another family member.

Address checks will be carried out and we may require further evidence (see page 15). In the event of a dispute, the LA will determine residence based on the information it holds and/or where the child benefit is paid. The same address will be used for subsequent applications and waiting lists.

Informal residence arrangements
Informal residence arrangements with family and friends will not generally be accepted unless there are exceptional circumstances, for which independent supporting evidence will be required, as specified by the authority.

What happens if I move house during the application process?
Where families are moving home or have moved recently, it will be necessary to prove that the new address is their main dwelling. Parents will need to produce evidence to confirm occupancy, for example:

a) that contracts have been exchanged for the purchase of a residential property
b) details of a lease on such a property or proof of tenancy for a period extending for at least the first school term for which admission is required
c) council tax bill AND gas, electric or water/sewage bill

The address used on the application form must be the child’s permanent address on the application closing date – Monday 31 October 2016 for secondary transfer applicants, and Sunday 15 January 2017 for starting school and junior transfer applicants. Future addresses will be taken into account for the admissions process if you have exchanged contracts on a property or signed a lease rental agreement before Friday 6 January 2017 for secondary applications and Friday 3 March 2017 for starting school and junior transfer applications, but you must contact us to advise us of your change of address and provide evidence as stated above. If we receive information from the child’s school or other sources that...
your address has changed before the start of the allocation process, we will contact you to confirm the address we will be using for allocation purposes. Parents who are moving house but who are unable to provide evidence of this move by the closing date are advised to submit their application on time using their current address and address evidence. The local authority will then amend the application to the new address, if the relevant evidence is received by Friday 6 January 2017 for secondary applications or by Friday 3 March 2017 for starting school and junior transfer applications. However, if evidence is received after this date, as the allocation process will have begun, the allocation will be based on the previous address. If your application is unsuccessful, your new address will be used if you confirm you wish to remain on the school’s waiting list. It is the parent’s responsibility to ensure the evidence is received by us by the dates specified.

We will determine the matter of residence, if necessary, and must be satisfied with the evidence provided for an address to be accepted for the purpose of a child’s admission to school. Admissions staff will also verify addresses by checking council tax records and by requesting further address evidence direct from parents. We may monitor residency details if claimed addresses including temporary addresses cause concern. Please note places can be withdrawn if the address given is not the child’s permanent residence.

**Children of UK service personnel**

For service families moving into the area a letter from the Drafting Officer or an MOD 1132 will be sufficient providing it is received by Friday 6 January 2017 for secondary applications or by Friday 3 March 2017 for starting school and junior transfer applications. Please ensure you indicate on your application that you are a service family. This is important even if you are applying for a school/s which do not give priority for children eligible for service premium.

If you are making a late application, see page 17.

**Evidence requests and false information**

Evidence supplied at the request of the Admissions Team must be recent. Evidence will not be accepted unless it is received by the required date.

If requests for evidence are not responded to by the required date, the application will either not be considered under that criterion or, if a change of address, the application may be considered using the old address.

Checks are made on the information provided and we will also investigate any allegations of fraudulent addresses. If it is established that false or misleading information has been used in order to gain a place at a school, the law allows local authorities to withdraw places. An example of false information would be the use of an address which is not the child’s normal residence. A child’s place may be withdrawn even if the child has started at the school. If the child were allowed to remain at the school, any subsequent children within the same household would not benefit from the sibling link criterion.

! It is an offence to give false information to obtain a place at a school.
Pupils with an Education Health and Care (EHC) Plan

If a child has an Education Health and Care Plan (previously known as statement of special educational needs) the local authority has a legal duty to consult with the governing body of the parent's preferred school to determine if the school can meet those needs.

The admission limit of each school includes the number of EHC. These applicants are usually allocated places before the mainstream application process is completed. However, if the EHC is not completed until after allocation day, the law requires the named school to admit these children over number if necessary.

Further information about SEND and the admissions arrangements for children with an EHC is available on page 73, or:

Applying online

You will receive an email confirming that you have applied. If you do not receive an email you may not have submitted your application. Please go back into your application and submit, or check your spam/junk/trash folder before contacting the Admissions Team.

Where do I return my application form?

Applications for children starting school

If you are unable to apply online, you can complete a paper application form and return it to your first preference school if it's a Portsmouth school. The school will log your application and send it to us via the internal courier service. Alternatively you can return it directly to us at the address on page 9.

Applications for children transferring to junior school or transferring to secondary school

Applications should be completed online. If you need to complete a paper application form, return it to your child's present school if it's a Portsmouth school. The school will log your application and send it to us via the internal courier service or you can return it directly to us at the address on page 9.

Parents (resident in Portsmouth) of children attending schools outside of the city or independent infant/primary schools should return the form to us at the address on page 9.

If you are posting your form we recommend you obtain proof of posting. If you hand deliver your form to the civic offices please obtain a receipt.

Make sure you apply by the closing date

Your online application or application form must be submitted by the relevant closing date.

Secondary transfer
Monday 31 October 2016
Starting school and junior transfer
Sunday 15 January 2017

Failure to apply on time will seriously affect your child's chances of being offered a place at your preferred school.
Non-Portsmouth residents applying for a Portsmouth School

Parents should apply online through their home local authority’s website or return their applications as advised to their home local authority.

For example, if you live in Havant and want to apply to a Portsmouth school you will need to apply to Hampshire County Council and follow their instructions. You can include Portsmouth or other area schools, not just schools from your home local authority.

How do I know if my application has been received?

If you have applied online, you will receive a confirmation email straight away. If it has been necessary to complete a paper application before the closing date, you will receive a letter to acknowledge receipt of your application form. Please contact us if you do not receive an acknowledgement by January 2017 for secondary transfer applications, or by March 2017 for starting school or junior transfer applications.

What happens if my application is late? (Received after the relevant closing date)

You will not be able to apply online after the closing date.

All applications received by the closing date will be considered first. Late applications will only be considered after all those applications received on time have been considered and allocated places.

A late application, even to your catchment area school, is unlikely to be successful if your preferred schools have been oversubscribed with on time applications. Late applications will also mean that you will have a delay in going onto the school’s waiting list as you will have to wait for your application to be processed before this can happen.

If you consider you have significant and exceptional reasons for your late application you will need to put your reasons in writing to us for consideration before Friday 6 January 2017 for secondary transfer or Friday 3 March 2017 for starting school or junior transfer.

Late applications will be processed in batches within timeframes determined by the LA. Each batch will be allocated under the equal preference scheme (see page 8).

Children of UK service personnel

Applications from service families moving into Portsmouth will be accepted as on time until Friday 6 January 2017 for secondary applications and Friday 3 March 2017 for starting school or junior transfer providing there is proof of drafting/MOD 1132.

If your application is late and you are applying for a starting school place (Year R), the School Admissions Code allows for admission authorities to consider admitting your child to a school even if it is full (as an excepted pupil). This decision will be based on all the circumstances including those relevant to your family and child and the impact on the school, including the ‘efficient education and efficient use of resources’.

The current guidance is that an excepted pupil can only be admitted from the top of the waiting list.
Can I change my preferences?

BEFORE the closing date
If you are applying online, you can change your preferences online and resubmit your application. You will receive an email confirmation that your application has been resubmitted. We will process the latest application.

If you have submitted a paper application and wish to change the original preferences made on your form before the closing date, you should put your request in writing to us.

AFTER the closing date
You are not able to change your preferences after the application closing date. Only additional preferences received in writing may be added which will be considered as late preferences and processed after all the on-time applications.

If you feel you have significant and exceptional reasons for changing your preferences after the closing date you will need to put your reasons in writing to us for consideration before Friday 6 January 2017 for secondary applications and before Friday 3 March 2017 for starting school and junior applications.

When will I know whether my application has been successful?
You will receive an email on allocation day if you have applied online and requested this option.

Other applicants will have a letter sent out to the home address on allocation day.

Emails or letters will also be sent by us on behalf of the governing body of voluntary aided, foundation schools and academies to parents on that date.

Parents need to ensure that the Admissions Team holds the correct address details.

! Allocation details will NOT be given over the telephone.

! Only parents who have applied online will be able to be notified by email.

What do I do when I receive notification of allocation?
Parents are required to confirm their acceptance of the place offered via the online response or in writing by the deadline in your offer information.

If a parent does not confirm their acceptance of the place offered within the time specified, the offer of the place may be withdrawn.

What can I do if I am not successful in gaining a place at my preferred school(s)?
You can confirm that you wish your child’s name to remain on the waiting list and make an appeal to an independent appeal panel.

Waiting lists
If you have not gained a place at one or more of your preferred schools, we will place your child’s name on the school’s waiting list and ask you to confirm that you wish your child’s name to remain on the waiting list for that academic year. Your child’s position on the waiting list will be prioritised

Useful information

Application information

According to the admissions criteria in their admissions policies.

Note: there is no distinction between on time applicants and late applicants on the waiting list.

It is important to note that a child's position on the waiting list can change, moving both up or down, as children either join or are removed from the waiting list. No priority is given based on the length of time on the waiting list. They must be ordered by oversubscription criteria.

If you wish your child to remain on a school waiting list please indicate this on your online response or on the response form received with your allocation letter and return it to us by the date specified as places can become available at any time.

Please note: you can have your child's name on more than one waiting list and at the same time as making an appeal to the school.

We manage all waiting lists for starting school, junior transfer and secondary transfer until the end of each academic year (31 August). We also maintain all waiting lists for in-year year groups except for Lyndhurst Junior School, St. Edmund’s Catholic School and Charter Academy. For these schools, please contact them directly with waiting list queries.

Appeals process

If we are unable to offer you a place at any of your preferred schools, you have the right of appeal to an independent panel, which is set up under Section 94 of the School Standards and Framework Act 1998. This right of appeal may be for more than one school. You may only appeal where you have applied and have been refused admission to a school. You have 20 school days within which to state that you intend to appeal or by the specified deadline date given in your letter.

If your appeal form is received after the deadline date, we cannot guarantee that your appeal will be heard on time. Appeals for admissions in September are usually heard in April and May for secondary schools and June and July for starting school and junior transfers.

The appeals process is independent and separate from the process followed by the Admissions Team for the allocation of places and for the operation of waiting lists. Successful appellants are allocated a place in a school above the published admission limit by the appeals panel.

Please refer to page 70 for information on the number of appeals upheld for junior transfer last year and previous years. Please refer to page 71 for the number of appeals upheld for secondary transfer last year and previous years.

Please carefully consider and review your grounds for appeal before submitting it.

Appeals for admission to infant classes

If you are applying for admission at Key Stage 1 (year groups R, 1 and 2), your grounds for appealing are limited because of legislation on statutory legal class size limits. The law only allows a Key Stage 1 appeal to be upheld where one or more of the following grounds are established:

Ground A: The admission of additional children would not breach the infant class size limit.

Ground B1: The admission arrangements do not comply with admissions law.

Ground B2: The school's admissions arrangements were not correctly and impartially applied.
To be successful under grounds B1 and 2, your child must have been disadvantaged and would otherwise have been offered a place.

Ground C: The decision not to admit your child was a decision that no reasonable authority would make in the circumstances.

The appeal panel are limited to a review of the decision of the LA to refuse a school place based on the information available at the time, so it is important to be clear about your grounds for appeal.

Please refer to page 69 for information on the number of infant appeals upheld for starting school last year and in previous years.

Please carefully consider and review your grounds for appeal before submitting it.

Where can I get my appeal form?
Please request a form from the Admissions Team.

How many times can I appeal for a particular school?
If your appeal is unsuccessful, you cannot appeal for a place at the same school in the same academic year again unless there is a significant and material change in your circumstances. A significant and material change in your circumstances would be, for example, if you moved into the designated catchment area for your preferred school or if a brother or sister of the child you have made an application for, is offered a place in another year group at the school. You would need to notify the Admissions Team of any change in circumstances prior to lodging a further appeal.

You can, of course, remain on the waiting list for a school even if your appeal was unsuccessful.
Schools and admissions policies
This section gives information on schools in Portsmouth and their admissions policies

Types of school

Community schools
These are maintained by Portsmouth City Council as the local authority. These are run by the headteacher and governors in partnership with the city council. The council is responsible for the admission policy and admissions.

Voluntary controlled schools
These were originally set up by bodies such as the Church of England or Roman Catholic Church but are now maintained by Portsmouth City Council as the local authority. These are run by the headteacher and governors in partnership with the city council. The council is responsible for the admission policy and admissions.

Voluntary aided schools
These were originally set up by bodies such as the Church of England or Roman Catholic Church and are jointly funded by the Church Diocesan Boards and the city council. The governors are responsible for their admission policy and admissions.

Foundation schools
These were formerly grant maintained schools but are now maintained by the council. The governors are responsible for their admission policy and admissions.

Academies
Academies are publicly funded, non-selective schools that operate within the state system although they are independently governed. Academies are responsible for their admission policies and admissions.

Enquiries for more information
All schools are pleased to receive enquiries and can provide an individual prospectus. They are happy to meet parents you must arrange an appointment first. There is also lots of information on individual schools on their websites.

The LA is required to coordinate all admissions applications for the main point of entry in September for Year R, Year 3 (Infant - Junior only) and Year 7.
Infant, primary and junior schools admissions policies

This section contains information on schools’ admissions policies for 2017/18

Infant Schools (including academies)

This policy will apply to all admissions for the academic year 2017/18 including in-year applications. For details of Published Admission Numbers (PAN’s) for each community infant school please refer to list on pages 56–59.

If the school is oversubscribed, applications will be considered first according to the priorities in the order set out below:

1) Children who are looked after by a local authority (i.e. in their care or provided with accommodation by the authority for a continuous period of more than 24 hours). Children who were previously looked after but immediately following being looked after became subject to an adoption order, residence or special guardianship order.

2) Children or families who have a significant medical, physical, psychological or social need. Evidence must be attached with the application form. Applications under this criterion must be supported by written evidence from an appropriate professional involved stating clearly why the preferred school is the most appropriate for the child and reasons why other schools in the city are inappropriate. All applications received under this category are considered by a multi-disciplinary team of the local authority.

3) Children living within the school’s designated catchment area. (If the school cannot admit all applications from the catchment area, applicants will be ranked within this category in accordance with priorities 4(i) to (iv) below.)

4) Children living outside the school’s catchment area in the following priority order: -
   i) children who have a brother or sister (living within the same household) at the school or an adjacent junior school in the academic year commencing September 2017; Note: this category includes step-brothers/step-sisters, adoptive brothers/sisters living within the same household or children whose parents are married or cohabiting and live together within the same household
   ii) children eligible for service premium Note: service premium is paid to eligible children of armed services personnel under S14 of the Education Act 2002
   iii) children of staff employed at the school (or school on an adjacent site)
       a) where the member of staff has been employed at the school for 2 or more years at the time at which the application is made, and or
       b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage
   iv) children who live closest to the school, based on the shortest distance from home to school, measured on a straight line ‘as the crow flies’. (This distance will be used where necessary to prioritise applications). Should there be two or more identical distances requiring prioritisation, this will be done by casting lots.
Note: should the school be oversubscribed from within any of the criteria 4(i) to 4(iii) above, then any additional criteria as given in 4(i) to 4(iv) will be used to prioritise applications within these categories.

**Displaced Sibling**

Where the LA is unable to meet a parental preference in relation to a catchment school, the LA will have to allocate a place at a lower preference school or even allocate the next nearest school with places available. Parents may prefer to then try and get a place for another sibling at the same school. In such instances, this school could then be treated as the catchment school for subsequent sibling applications. **Parents would have to notify the LA on application that they consider this exception applies.** If the application was for the actual catchment school this criterion would still be applied. This would be applicable to Portsmouth schools who have catchment criterion as part of their admissions policy.

**Pupils with a statement of special educational needs or education, health and care plan**

The Admissions code states “all children whose statement of special educational need (SEN) or Education Health and Care (EHC) Plan names the school must be admitted”. These children will have priority for admission over and above all other admission applications and will be included in the admissions allocation process.

See page 53 for additional information and a guide to criteria.
All Community and Voluntary Controlled Primary Schools and the following Academies: Flying Bull Primary, Gatcombe Park Primary and Westover Primary

This policy will apply to all admissions for the academic year 2017/18 including in-year applications. Please see a list of primary schools and their published admission numbers (PAN’s) on pages 56–59.

If the school is oversubscribed, applications will be considered first according to the following priorities in the order set out below:

1) Children who are looked after by a local authority (i.e. in their care or provided with accommodation by the authority for a continuous period of more than 24 hours). Children who were previously looked after but immediately following being looked after became subject to an adoption order, residence or special guardianship order.

2) Children or families who have a significant medical, physical, psychological or social need. Evidence must be attached with the application form. Applications under this criterion must be supported by written evidence from an appropriate professional involved stating clearly why the preferred school is the most appropriate for the child and reasons why other schools in the city are inappropriate. All applications received under this category are considered by a multi-disciplinary team of the local authority.

3) Children whose parents have a religious conviction for attending St Jude’s Church of England Primary School only. Supporting evidence must be submitted with the application on the supplementary form provided, signed by the appropriate religious leader. Applicable to St Judes CE Primary only.

4) Children living within the school’s designated catchment area. (If the school cannot admit all applications from the catchment area, applicants will be ranked within this category in accordance with priorities 6(i) to (iv).

5) Children whose parents have a religious conviction for attending St George’s Beneficial Church of England Primary School only. Supporting evidence must be submitted with the application on the supplementary form provided, signed by the appropriate religious leader. Applicable to St Georges Beneficial CE School only.

6) Children living outside the school’s catchment area in the following priority order: -
   i) children who have a brother or sister (living within the same household) already on roll and who will still be attending the school the following academic year; Note: this category includes step-brothers/step-sisters, adoptive brothers/sisters living within the same household or children whose parents are married or cohabiting and live together within the same household
   ii) children eligible for service premium Note: service premium is paid to eligible children of armed services personnel under S14 of the Education Act 2002
   iii) children of staff employed at the school
      a) where the member of staff has been employed at the school for 2 or more years at the time at which the application is made, and or
      b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage
iv) children who live closest to the school, based on the shortest distance from home to school, measured on straight line ‘as the crow flies’. (This distance will be used where necessary to prioritise applications). Note: Should a school be oversubscribed from within the criteria above then distances as given in 6 (iv) will be used to prioritise applications within these categories. Should there be two or more identical distances requiring prioritisation, this will be done by casting lots.

NOTE: Should the school be oversubscribed from within any of the criteria 4(i) to 4(iii) above, then any additional criteria as given in 4(i) to 4(iv) will be used to prioritise applications within these categories.

Displaced Sibling

Where the LA is unable to meet a parental preference in relation to a catchment school, the LA will have to allocate a place at a lower preference school or even allocate the next nearest school with places available. Parents may prefer to then try and get a place for another sibling at the same school. In such instances, this school could then be treated as the catchment school for subsequent sibling applications. Parents would have to notify the LA on application that they consider this exception applies. If the application was for the actual catchment school this criterion would still be applied. This would be applicable to Portsmouth schools who have catchment criterion as part of their admissions policy.

Pupils with a statement of special educational needs or education, health and care plan

The Admissions code states “all children whose statement of special educational need (SEN) or Education Health and Care (EHC) Plan names the school must be admitted”. These children will have priority for admission over and above all other admission applications and will be included in the admissions allocation process.

See page 53 for additional information and a guide to criteria.
Ark Ayrton Primary Academy/Ark Dickens Primary Academy

Admissions policies relating to admissions to these academies in the academic year 2017/18 (for a full copy of the policy and explanatory notes please go to the academy’s website)

Each academy has an agreed PAN of 60 pupils in the Reception year. After the allocation of reception places, the academy will admit ‘rising fives’, i.e. all children with places can be admitted to the reception year at school in the September following their fourth birthday but before reaching compulsory school age.

Oversubscription criteria

Where the academy is named on a pupil’s Statement of Special Educational Needs or Education and Health Care Plan, that child will be admitted by the academy. If the number of applications for admission to the primary school is greater than the PAN, applications will be considered against the criteria and order set out below:

a) Looked After Children and children who have been previously looked after (pursuant to the Admissions Code).

b) Children of staff at the school where there is a demonstrable skill shortage – Children of members of staff will have priority in the oversubscription criteria if the staff member is filling a post for which there is a demonstrable skill shortage. Ark Schools is required to approve the Principal’s designation of such posts and confirm the assessment that a member of staff appointed meets the requirements of the shortage. Priority will be limited to one place for each form of entry in any year.

c) Children who at the time of the admission have a sibling who attends the academy. For this purpose “sibling” means a whole, half or step-brother/sister or an adopted child resident at the same address. In respect of applications to the primary school, the fact that an applicant has a sibling attending the nursery school will not be a factor giving rise to priority.

d) Children of staff in the school – Where there is no demonstrable skill shortage, priority may be given where the academy is oversubscribed to a child of a person who will have been employed in the academy for two or more years at the time the application for admission is made. Priority will be limited to one place for each form of entry in any year.

e) Children living in the schools designated catchment area. A map of the area is available at the academy. A child’s home will be the address at which the child normally resides and which has been notified to the academy and other relevant agencies as being the child’s normal place of residence. Where it is necessary to prioritise applications within this category the shortest distance from the child’s home to school, measured in a straight line distance will be used.

f) Children living outside the catchment area – A child’s home will be the address at which the child normally resides and which has been notified to the academy and other relevant agencies as being the child’s normal place of residence.
i) in those cases where the relevant LA measures distance on behalf of Ark Schools, the method they adopt for measurement and also selection between equal applicants and those living in flats will apply.

ii) in those cases where Ark Schools is required to carry out the measurement itself, priority will be given to those children who live closest to the school using a straight line measurement taken from Ordnance Survey Data from the academy building’s main reception to the main entrance of the child’s home. Where a child resides in a block of flats, the distance will be measured from the academy building’s main reception to the main entrance of the building in which the flats are located.

**Tie breaker**

If Ark Schools is unable to distinguish between applicants using the published criteria, including those who live in blocks of flats with the same building entrance, places will be offered via a random draw which will be supervised by someone independent of the academy.

Note: In the case of multiple births or brothers and sisters in the same year group, where there is only one place available in the academy, both will be considered together as one application.
Beacon View Primary Academy and The Victory Primary Academy

For a full copy of the policy and explanatory notes please go to each academy’s website

This policy will apply to all admissions for the academic year 2017/18 including in-year applications. The Published Admission Number (PAN) for these academies is 60. If the schools are oversubscribed, applications will be considered first according to the following priorities in the order set out below:

1) Children who are looked after by a local authority (i.e. in their care or provided with accommodation by the authority for a continuous period of more than 24 hours). Children who were previously looked after but immediately following being looked after became subject to an adoption order, residence or special guardianship order.

2) Children or families who have a significant medical, physical, psychological or social need. Evidence must be attached with the application form. Applications under this criterion must be supported by written evidence from an appropriate professional involved stating clearly why the preferred school is the most appropriate for the child and reasons why other schools in the city are inappropriate. All applications received under this category are considered by a multi-disciplinary team of the local authority.

3) Children living within the school’s designated catchment area. If the school cannot admit all applications from the catchment area, applicants will be ranked within this category in accordance with priorities 4(i) to (ii).

4) Children living outside the school’s catchment area in the following priority order:

   i) children who have a brother or sister (living within the same household) already on roll and who will still be attending the school the following year;

   Note: this category includes step-brothers/step-sisters, adoptive brothers/sisters living within the same household or children whose parents are married or cohabiting and live together within the same household.

   ii) children who live closest to the school, based on the shortest distance from home to school, measured on straight line ‘as the crow flies’. (This distance will be used where necessary to prioritise applications). Should there be two or more identical distances requiring prioritisation, this will be done by casting lots.

   NOTE: Should the school be oversubscribed from within any of the criteria 4(i) to 4(iii) above, then any additional criteria as given in 4(iv) will be used to prioritise applications within these categories

Displaced Sibling

Where the LA is unable to meet a parental preference in relation to catchment school, the LA will have to allocate a place at a lower preference school or even allocate the next nearest school with places available. Parents may prefer to then try and get a place for another sibling at the same school. In such instances, this school could then be treated as the catchment school for subsequent sibling applications. Parents would have to notify the LA on application they consider this exception applies. If the application was for the actual catchment school this criterion would still be applied. This would be applicable to Portsmouth
schools who have catchment criterion as part of their admissions policy.

Pupils with a statement of special education needs or education, health and care plan

The Admissions code states “all children whose statement of special education need (SEN) or Education Health and Care (EHC) Plan names the school must be admitted”. These children will have priority for admission over and above all other admission applications and will be included in the admissions allocation process.
Catholic primary schools

For a full copy of the policy and explanatory notes please visit each school’s website.

Corpus Christi, St John’s, St Paul’s and St Swithun’s are voluntary aided schools in the trusteeship of the Diocese of Portsmouth. They are maintained by Portsmouth Local Authority (LA). The schools were founded by and are part of the Catholic Church. The schools are conducted as Catholic schools in accordance with canon law, the teachings of the Catholic Church and the Trust Deed of the Diocese of Portsmouth. The schools offer a Catholic education serving the Catholic communities in the Portsmouth Pastoral Area incorporating the parishes of St John’s Cathedral, Corpus Christi with St Joseph, Our Lady of Lourdes and St Swithun and St Colman with St Paul. Although Catholic children have priority of admission, the governing bodies of Corpus Christi, St John’s, St Paul’s and St Swithun’s also welcome applications from those of other denominations and faiths who support the religious ethos of the schools.

The admissions process for all schools in the city is co-ordinated by the LA. However, the Governing Body of each Catholic school is its own Admission Authority and is responsible for determining the School’s admission policy. The four Catholic primary schools work closely with each other and with the support of the LA and Diocese have agreed the following policy for 2017-2018.

The Governing Body of each school will admit children, who will attain the age of 5 years during the school year 1 September 2017 to 31 August 2018, up to its published admission number (PAN).

The PAN for each school is as follows:

Corpus Christi Catholic Primary School, St John’s Cathedral Catholic Primary School, St Swithun’s Catholic Primary School

Should there be more applications than places available at any one of the schools Corpus Christi, St. John’s or St. Swithun’s the governing body of that school will admit children in the following category order:

1) Baptised Catholic looked after children (see explanatory notes*).
2) Baptised Catholic children of parents who have attended Sunday Mass weekly in a Catholic community for the last year at the point at which the Supplementary Information Form is signed.
3) Baptised Catholic children of parents who have attended Sunday Mass at least monthly in a Catholic community for the last year at the point at which the Supplementary Information Form is signed.
4) Baptised Catholic children of parents who have attended Sunday Mass less than monthly in a Catholic community for the last year at the point at which the Supplementary Information Form is signed.
5) Looked after children who are not baptised Catholic (see explanatory notes*).
6) Other children who are not baptised Catholic of a baptised Catholic parent who has attended

This policy will apply to all admissions for the academic year 2017/18 including in-year applications. Please see list of junior schools and their published admission numbers (PAN’s) on pages 56–59.

If the school is oversubscribed, applications will be considered first according to the priorities in the order set out below:

1) Children who are looked after by a local authority (i.e. in their care or provided with accommodation by the authority for a continuous period of more than 24 hours). Children who were previously looked after but immediately following being looked after became subject to an adoption order,

2) Children or families who have a significant medical, physical, psychological or social need. Evidence must be attached. Applications under this criterion must be supported by written evidence from an appropriate professional involved stating clearly why the preferred school is the most appropriate for the child and reasons why other schools in the city are inappropriate. All applications received under this category are considered by a multi-disciplinary team of the local authority.

3) Children living within the school’s designated catchment area. (If the school cannot admit all applications from the catchment area, applicants will be ranked within this category in accordance with priorities 4(i) to (v).

4) Children living outside the school’s catchment area in the following priority order:
   i) children who have a brother or sister (living in the same household) at the school or an adjacent infant school on the academic year commencing September 2017.
   ii) children eligible for service premium
       Note: service premium is paid to eligible children of armed services personnel under S14 of the Education Act 2002
   iii) children of staff employed at the school (or school on an adjacent site)
       a) where the member of staff has been employed at the school for 2 or more years at the time at which the application is made, and or
       b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage
   iv) children attending, at the time of application, a named feeder Infant school; Please see list of feeder infant schools at the end of this document.
   v) children who live closest to the school, based on the shortest distance from home to school, measured ‘as the crow flies’. (This distance will be used where necessary to prioritise applications).

Should there be two or more identical distances requiring prioritisation, this will be done by casting lots.

NOTE: Should the school be oversubscribed from within any of the criteria 4(i) to 4(iv) above, then any additional criteria as given in 4(i) to 4(iv) will be used to prioritise applications within these categories.
Displaced Sibling

Where the LA is unable to meet a parental preference in relation to a catchment school, the LA will have to allocate a place at a lower preference school or even allocate the next nearest school with places available. Parents may prefer to then try and get a place for another sibling at the same school. In such instances, this school could then be treated as the catchment school for subsequent sibling applications. **Parents would have to notify the LA on application that they consider this exception applies.** If the application was for the actual catchment school this criterion would still be applied. This would be applicable to Portsmouth schools who have catchment criterion as part of their admissions policy.

Pupils with a statement of special educational needs or education, health and care plan

The Admissions code states “all children whose statement of special educational need (SEN) or Education Health and Care (EHC) Plan names the school must be admitted”. These children will have priority for admission over and above all other admission applications and will be included in the admissions allocation process.

See page 53 for additional information and a guide to criteria.
Isambard Brunel Junior School (Academy)
Newbridge Junior School (Academy)

For a full copy of the policy and explanatory notes please go to the academy’s website.

This policy will apply to all admissions for the academic year 2017/2018 including in-year applications. The Published Admission Number (PAN) is 90 for Isambard Brunel Junior and 150 for Newbridge Junior.

If the school is oversubscribed, applications will be considered first according to the following priorities in the order set out below:

1) Children who are looked after by a local authority (i.e. in their care or provided with accommodation by the authority for a continuous period of more than 24 hours). Children who were previously looked after but immediately following being looked after became subject to an adoption order, residence or special guardianship order.

2) Children or families who have a significant medical, physical, psychological or social need. Evidence must be attached with the application. Applications under this criterion must be supported by written evidence from an appropriate professional involved stating clearly why the preferred school is the most appropriate for the child and reasons why other schools in the city are inappropriate. All applications received under this category are considered by a multi-disciplinary team of the local authority.

3) Children living within the school’s designated catchment area. If the school cannot admit all applications from the catchment area, priorities 4i to 4iii, will be used.

4) Children living outside the school’s catchment area in the following priority order:

   i) children who have a brother or sister (living within the same household) already on roll and who will still be attending the school the following academic year:
   Note: this category does include step-brothers/step-sisters, adoptive brothers/sisters living within the same household or children whose parents are married or cohabiting and live together within the same household (see additional information on page 50).

   ii) children attending at the time of application a named feeder infant school

   iii) children who live closest to the school, based on the shortest distance from home to school, measured ‘as the crow flies’. (This distance will be used where necessary to prioritise applications- see additional information). Should there be two or more identical distances requiring prioritisation, this will be done by casting lots (See additional information).

NOTE: Should the school be oversubscribed from within any of the criteria as given in 4(i) to 4(iii) above, then any additional criteria as given in 4(i) to 4(iii) will be used to prioritise applications within these categories.

Pupils with a statement of special educational need or education, health and care plan

Admission of pupils who have been issued with a statement of special educational need or Education, Health and Care plan is through a different process. Pupils with statement or a plan naming a particular school are taken account of and given priority in the allocation process.
Lyndhurst Junior School (Academy)

For a full copy of the policy and explanatory notes please go to the academy website.

Lyndhurst Junior School is an academy with an admission number of 120 for the year 2017-2018. Although the school is an academy it participates in the local authority co-ordinated scheme for admissions and all dates and procedures within that scheme will apply.

We are an inclusive school and welcome all applications. There is no guarantee of a place for children living in the catchment area or attending feeder infant schools and you must make an application to attend Lyndhurst Junior School (Academy). We will admit from outside the area if there are spaces available.

Admission to our school is not dependent on ability or voluntary financial contribution. Children are expected to take part in all National Curriculum subjects including R.E.

If the school is oversubscribed, applications will be prioritised in order of the criteria below:

1) Children who are looked after by a local authority (i.e. in their care or provided with accommodation by the authority for a continuous period of more than 24 hours). Children who were previously looked after but immediately following being looked after became subject to an adoption order, residence or special guardianship order.

2) Children living within the school's designated catchment area. (If the school cannot admit all applications from the catchment area, applicants will be ranked within this category in accordance with priorities 3(i) to (v) below.) This category includes step-brothers/step-sisters, adoptive brothers/sisters living within the same household or children whose parents are married or cohabiting and live together within the same household.

3) Children living outside the school's catchment area in the following priority order:
   i) children who have a brother or sister (living in the same household) already on roll and who will still be attending the school or on roll or offered a place for September 2017 at College Park Infant school the following year; Note: this category includes step-brothers/step-sisters, adoptive brothers/sisters living within the same household or children whose parents are married or cohabiting and live together within the same household.
   ii) children eligible for service premium
      Note: service premium is paid to eligible children of armed services personnel under S14 of the Education Act 2002
   iii) children of staff employed at the school (or school on an adjacent site) where

Call the Admissions Team on 023 9268 8008 or email admissions@portsmouthcc.gov.uk
a) the member of staff has been employed at the school for 2 or more years when the application is made, and/or
b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage
iv) children attending, at the time of application, College Park Infant School.
v) children who live closest to the school, based on the shortest distance from home to school, measured ‘as the crow flies’. (This distance will be used where necessary to prioritise applications).

NOTE: Should the school be oversubscribed from within any of the criteria 3(i) to 3(iii) above, then any additional criteria as given in 3(i) to 3(iv) will be used to prioritise applications within these categories.

Pupils with a statement of special educational needs or education, health and care plan

The Admissions code states “all children whose statement of special educational need (SEN) or Education Health and Care (EHC) Plan names the school must be admitted”. These children will have priority for admission over and above all other admission applications.
Mayfield All Through School

This policy will apply to all admissions for the academic year 2017/18 including in-year applications. Mayfield has a published admission number (PAN) of 60 for entry into Year R and 200 for Year 7.

There are two points of main phase entry for this school in 2017/18 to Year R and to the secondary phase in Year 7. This policy applies to both cohorts.

If the school is oversubscribed, applications will be considered according to the following priorities in the order set out below: -

1) Children who are looked after by a local authority (i.e. in their care or provided with accommodation by the authority for a continuous period of more than 24 hours). Children who were previously looked after but immediately following being looked after became subject to an adoption order, residence or special guardianship order.

2) Children or families who have a significant medical, physical, psychological or social need. Evidence must be attached with the application. Applications under this criterion must be supported by written evidence from an appropriate professional person involved stating clearly why the preferred school is the most appropriate for the child and reasons why other schools in the city are inappropriate. Applications received under this category are considered by a multi-disciplinary team of the local authority.

3) Children of staff employed at the school where
   a) the member of staff has been employed at the school for 2 or more years when the application is made, and/or
   b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
4) Children eligible for service premium
   Note: service premium is paid to eligible
   children of armed services personnel under S14
   of the Education Act 2002

5) Children living within the school’s designated
   catchment area. (If the school cannot admit all
   applications from the catchment area,
   applicants will be ranked within this category in
   accordance with priorities 6 (i) to (iii) below.)

6) Children living outside the school’s catchment
   area in the following priority order:
   i) children who have a brother or sister (living
      within the same household) already on roll
      and who will still be attending the school
      the following academic year;
      Note: this category does include step-
      brothers/step-sisters, adoptive brothers/
      sisters living within the same household or
      children whose parents are married or
      cohabiting and live together within the
      same household.
   ii) children attending a feeder junior/primary
       school; Please see a list of feeder junior/
       primary schools. Please note this criterion is
       only available to secondary transfer
       applications.
   iii) children who live closest to the school,
       based on the shortest distance from home
       to school, measured on a straight line (This
       distance will be used where necessary to
       prioritise applications).

Note: Should there be two or more identical
   distances requiring prioritisation, this will be done
   by casting lots. Should the school be oversubscribed
   from within any of the criteria 6(i) to 6(ii) above,
   then any additional criteria as given in 6(i) to 6(iii)
   will be used to prioritise applications within these
   categories.

Displaced Pupil

Where the LA is unable to meet a parental
   preference in relation to a catchment school, the LA
   will have to allocate a place at a lower preference
   school or even allocate the next nearest school with
   places available. Parents may prefer to then try and
   get a place for sibling at the same school at a later
   stage. In such instances, this school could then be
   treated as the catchment school for subsequent
   sibling applications. Parents would have to notify
   the LA on application that they consider this
   exception applies. If the application was for the
   actual catchment school this criterion would still be
   applied. This would be applicable to Portsmouth
   schools who have catchment criterion as part of
   their admissions policy.

Pupils with a statement of special
   educational needs or education, health and
   care plan

The Admissions code states “all children whose
   statement of special educational need (SEN) or
   Education Health and Care (EHC) Plan names the
   school must be admitted”. These children will have
   priority for admission over and above all other
   admission applications and will be included in the
   admissions allocation process.

to criteria.

All applications received under this category are considered by a multi-disciplinary team of the local authority.

3) Children living within the school’s designated catchment area. If the school cannot admit all applications from the catchment area, priorities 4i to 4iv, will be used.

4) Children living outside the school’s catchment area in the following priority order:
   i) children who have a brother or sister (living within the same household) already on roll and who will still be attending the school the following academic year,
   ii) children attending a feeder junior/primary school (Copnor Primary, Westover Primary and Gatcombe Park Primary)
   iii) children who are eligible for service premium
       Note: service premium is paid to eligible children of armed services personnel under S14 of the Education Act 2002:
   iv) children who live closest to the school, based on the shortest distance from home to school, measured ‘as the crow flies’. This distance will be used where necessary to prioritise applications.
       Note: should the school be oversubscribed from within any of the criteria 4i to 4iii above, then any additional criteria as given in 4i- iv, will be used to prioritise applications within these categories. Should there be two or more identical distances requiring prioritisation, this will be done by casting lots.

Pupils with an education, health and care plan

Admission of pupils who have been issued with a statement of special educational need or education, health and care plan is through a different process. Pupils with a plan naming a particular school are taken account of and given priority in the allocation process.

**Trafalgar School**

For a full copy of the policy and explanatory notes please go to the academy’s website.

The published admission number (PAN) is 200 and both boys and girls are welcome to apply for Year 7 in September 2017/18. For in-year applications made during the academic year 2017/18, Years 7, 8 and 9 are co-educational and years 10 and 11 are boys only.

If the school is oversubscribed, applications will be considered according to the priorities in the order set out below.

1) Children who are looked after by the Local Authority (i.e. in their care or provided with accommodation by the authority for a continuous period of more than 24 hours). Children who were previously looked after but immediately following being looked after became subject to an adoption order, residence or special guardianship order.

2) Children or families who have a significant medical, physical, psychological or social need. Evidence must be attached with the application.
Applications under this criterion must be supported by written evidence from an appropriate professional involved stating clearly why the preferred school is the most appropriate for the child and reasons why other schools in the city are inappropriate. All applications received under this category are considered by a multi-disciplinary team of the local authority.

3) Children living within the school’s designated catchment area (shared with Mayfield School). If the school cannot admit all applications from the catchment area, priorities 4i to 4iv, will be used.

4) Children living outside the school’s catchment area in the following priority order:
   i) children who have a brother or sister (living within the same household) already on roll and who will still be attending the school the following academic year:
      Note: this category does include step-brothers/step-sisters, adoptive brothers/ sisters living within the same household or children whose parents are married or cohabiting and live together within the same household (see additional information).
   ii) children attending a feeder junior/primary school (Isambard Brunel Junior, Lyndhurst Junior, Newbridge Junior, Northern Parade Junior, Stamshaw Junior),
   iii) children who are eligible for service premium.
      Note: service premium is paid to eligible children of armed services personnel under S14 of the Education Act 2002.
   iv) children who live closest to the school, based on the shortest distance from home to school, measured ‘as the crow flies’. (This distance will be used where necessary to prioritise applications, see additional information).
      Note: should the school be oversubscribed from within any of the criteria 4i to 4iii above, then any additional criteria as given in 4i-iv, will be used to prioritise applications within these categories. Should there be two or more identical distances requiring prioritisation, this will be done by casting lots (See additional information).

Pupils with an education, health and care plan

Admission of pupils who have been issued with a statement of special educational need or education, health and care plan is through a different process. Pupils with a plan naming a particular school are taken account of and given priority in the allocation process.
Charter Academy

For a full copy of the policy and explanatory notes please go to the academy website.

The academy has an agreed PAN of 120 pupils in Year 7.

The PAN for external Year 12s is five. Those students already attending the academy and achieving the minimum academic entrance requirements will transfer to the sixth form.

1) The minimum academic entrance requirements for admission to the post-16 provision will be published in the academy sixth-form prospectus which will be available on request and also published on the academy website. These requirements will relate to both internal and external applicants.

2) Young people may apply on their own.

3) Students will be informed in writing whether or not they have been allocated a place.

Secondary oversubscription criteria

Where the academy is named on a pupil’s Statement of Special Educational Needs or Education and Health Care Plan, that child will be admitted by the academy. If the number of applications for admission to the secondary school or sixth form is greater than the PAN, applications will be considered against the criteria and order set out below:

1) Looked After Children and children who have been previously looked after (pursuant to the Admissions Code).

2) Children of staff at the school where there is a demonstrable skill shortage – Children of members of staff will have priority in the oversubscription criteria if the staff member is filling a post for which there is a demonstrable skill shortage. Ark Schools is required to approve the Principal’s designation of such posts and confirm the assessment that a member of staff appointed meets the requirements of the shortage. Priority will be limited to one place for each form of entry in any year.

3) Children who at the time of the admission have a sibling who attends the academy. For this purpose “sibling” means a whole, half or step-brother or -sister or an adopted child resident at the same address.

4) Children of staff in the school – Where there is no demonstrable skill shortage, priority may be given where the academy is oversubscribed to a child of a person who will have been employed in the academy for two or more years at the time the application for admission is made. Priority will be limited to one place for each form of entry in any year.

5) Pupils who live in the catchment area for the academy, which is defined as: south of and including both sides of Kingston Crescent; west of centre of Kingston Road and Fratton Road; west of and excluding Victoria Road North; west of centre of Victoria Road South, Lennox Road South and Clarence Parade down to Jack Cockerill Way then south of Clarence Parade.
and part of South Parade. A map of the area is attached to this policy and will be available at the academy and on the website.

i) where there are more applicants than available places in the catchment, priority will be given to children attending a feeder school listed in 6 below.

ii) children will then be ordered by straight line distance.

6) Children living outside the catchment area but currently attending one of the following primary schools children will be prioritised by straight line distance between home address and Charter Academy:

i) Ark Ayrton Primary Academy

ii) Ark Dickens Primary Academy

iii) Arundel Court Primary School

iv) Cottage Grove Primary School

v) Flying Bull Primary Academy

vi) St George’s Beneficial CE Primary School

vii) St Jude’s CE Primary School

7) Distance measurement – A child’s home will be the address at which the child normally resides and which has been notified to the academy and other relevant agencies as being the child’s normal place of residence.

i) Portsmouth City Council measures distance on behalf of Ark Schools, the method they adopt for measurement and also selection between equal applicants and those living in flats will apply.

ii) in those cases where Ark Schools is required to carry out the measurement itself, priority will be given to those children who live closest to the school using a straight-line measurement taken from Ordnance Survey Data from the academy building’s main reception to the main entrance of the child’s home. Where a child resides in a block of flats, the distance will be measured from the academy building’s main reception to the main entrance of the building in which the flats are located.

Tie breaker: If Ark Schools is unable to distinguish between applicants using the published criteria, including those who live in blocks of flats with the same building entrance, places will be offered via a random draw which will be supervised by someone independent of the academy.

Pupils with a statement of special educational needs or education, health and care plan

The Admissions code states ‘all children whose statement of special educational need (SEN) or Education Health and Care (EHC) Plan names the school must be admitted’. These children have priority over and above all other applications and will be included in the admissions allocation process.

Post-16 oversubscription criteria

Where the sixth form is oversubscribed, priority will be given to those qualifying applicants following the oversubscription criteria as described in secondary section.

The Portsmouth Academy

For a full copy of the policy and explanatory notes please go to the academy website.

The Portsmouth Academy (formerly Portsmouth Academy for Girls and part of the Thinking Schools Academy Trust) is a co-educational school from September 2017 (Years 8-11 will remain as single sex for 2017-18). It has no defined catchment area; applications are welcome from anywhere in Portsmouth and the surrounding area.

Where the Academy is named on a student’s Statement of Special Educational Needs or Education, Health and Care Plan, the student will be admitted by the Academy.

If the number of applications for admission to the Academy is greater than the Published Admissions Number (PAN) of 200, places will be allocated in the following priority order:

1) Looked After Children and children who have been previously looked after, but following being looked after became subject to an adoption order, residence order or special guardianship order*

2) Children who, at the time of the admission, have a sibling who attends the Academy. For this purpose, “sibling” means a whole, half or step-sister or brother, or an adopted child resident at the same address. The Academy will also include in this criterion children whose parents are married or cohabiting and live together within the same household. In the case of multiple births or siblings in the same year group, where there is only one place available in the Academy, the other child/children will be offered place above PAN.

3) Children who attend Newbridge Junior School (part of the Thinking Schools Academy Trust), which has an annex for Year 6 children on the Academy site.

4) Children who attend Isambard Brunel Junior School (part of the Thinking Schools Academy Trust).

5) Children of staff at the school where there is a demonstrable skill shortage – priority will be given to the children of members of staff if the staff member is filling a post for which there is a demonstrable skill shortage. TSAT will be required to approve the Principal’s designation of such posts and confirm the assessment that a member of staff appointed meets the requirements of the shortage.

6) Children of staff at the school: priority will be given to the child of a person who has been employed in the Academy for two or more years at the time the application is made.

If the school is over-subscribed from within any of the above categories (1) to (6) then distance as described in Category (7) will be used to prioritise applications.

7) Children who live closest to the school. Distance will be based on the shortest distance from home to school, measured in a straight line, using the LA Geographical Information System. Should there be two or more identical distances requiring prioritisation, this will be done by casting lots by an independent party such as the LA Admissions Team.

**Looked after Children are defined as being in the LA’s care or provided with accommodation by the authority for a continuous period of more than 24 hours

For a full copy of the policy and explanatory notes please go to the academy website.

The Published Admission Number (PAN) for 2017/18 is 189.

Should there be more applicants than places available based on the evidence provided with each application, the governors will use the criteria for admission to place every applicant in one of the categories listed below. The order of the categories listed below determines the order of priority for admission. Applicants who qualify for more than one category will be placed in the highest one in which they appear.

Admission categories:
1) Baptised Catholic Looked After Children and previously looked after children
2) Baptised Catholic children
3) Non-Catholic Looked After Children and previously Looked After Children
4) Children being prepared to be received into the Catholic Church (RCIA)
5) Children whose parent(s) are baptised Catholic
6) Children attending Portsmouth Cluster Catholic Feeder Schools at the time of the application
7) Children with siblings at the School at the intended time of entry
8) Children who are members of Eastern Orthodox Churches
9) Children from families who are members of other Christian churches
10) Children of staff employed at the school
11) Children from other Faiths
12) Other applicants

Tiebreakers:
Oversubscription within the above criteria.
Should there be more applicants than places available in any of the above criteria, priority will be given in order of:
1) Category 2:
   i) Religious Practice
   ii) Distance
   iii) Random allocation
2) All other categories:
   i) Distance
   ii) Random allocation

Pupils with a statement of special educational needs or education, health and care plan

The Admissions code states ‘all children whose statement of special educational need (SEN) or Education Health and Care (EHC) Plan names the school must be admitted’. These children have priority over and above all other applications and will be included in the admissions allocation process.
Springfield School

This policy will apply to all admissions for the academic year 2017/18 including in year applications. Springfield has a PAN of 227.

If the school is oversubscribed, applications will be considered according to the following priorities in the order set out below:

1) Children who are looked after by a local authority (i.e. in their care or provided with accommodation by the authority for a continuous period of more than 24 hours). Children who were previously looked after but immediately following being looked after became subject to an adoption order, residence or special guardianship order. See “Additional information” below.

2) Children or families who have a significant medical, physical, psychological or social need. Evidence must be attached with the application. Applications under this criterion must be supported by written evidence from an appropriate professional person involved stating clearly why the preferred school is the most appropriate for the child and reasons why other schools in the city are inappropriate. Applications received under this category are considered by a multi-disciplinary team of the local authority. See “Additional information” below.

3) Children living within the school’s designated catchment area. (If the school cannot admit all applications from the catchment area, applicants will be ranked within this category in accordance with priorities 4(i) to 4(v) below.)

4) Children living outside the school’s catchment area in the following priority order:

i) children who have a brother or sister (living within the same household) already on roll and who will still be attending the school the following academic year; Note – this category does include step-brothers/step-sisters, adoptive and foster brothers/sisters living within the same household or children whose parents are married or cohabiting and live together within the same household.

ii) children eligible for service premium Note - service premium is paid to eligible children of armed services personnel under S14 of the Education Act 2002

iii) children attending a feeder junior/primary school; Please see a list of feeder junior/primary schools at the end of this document.

iv) children who live closest to the school, measured as a straight line (this distance will be used where necessary to prioritise applications). Should there be two or more identical distances requiring prioritisation, this will be done by casting lots. Note – should a school be oversubscribed from within any of the criteria 4(i) to 4(ii) then any additional criteria in 4(i) to 4(iv), will be used to prioritise applications within these categories.

Displaced Sibling

The LA is unable to meet a parental preference in relation to a catchment school, the LA will have to allocate a place at a lower preference school or even allocate the next nearest school with places available. Parents may prefer to then try and get a place for sibling at the same school at a later stage.

Call the Admissions Team on 023 9268 8008 or email admissions@portsmouthcc.gov.uk
In such instances, this school could then be treated as the catchment school for subsequent sibling applications. Parents would have to notify the LA on application that they consider this exception applies. If the application was for the actual catchment school this criterion would still be applied. This would be applicable to Portsmouth schools who have catchment criterion as part of their admissions policy.

See page 53–55 for additional information and guide to criteria.

Pupils with a statement of special educational needs or education, health and care plan

The Admissions code states “all children whose statement of special educational need (SEN) or Education Health and Care (EHC) Plan names the school must be admitted”. These children will have priority for admission over and above all other admission applications and will be included in the admissions allocation process.
University Technical College (UTC) Portsmouth

For a full copy of the policy and explanatory notes please go to the UTC Portsmouth website.

The PAN for academic year 2017/18 is 75 for year 10 and 100 for year 12.

UTC Portsmouth is a state funded, co-educational school, for 14-19 year-olds. It delivers the core national curriculum with an additional focus on electrical and mechanical engineering and advanced manufacturing. The UTC will operate for 40 weeks a year with a school day typically running from 8.30 am to 5.00 pm in order to prepare young people for the demands of a working day. Due to this longer day it is expected that traditional ‘homework’ will be completed during the school day through independent study periods. UTC Portsmouth will encourage applications from all young people, male and female, who are willing to make this commitment and who express an interest in Science, Technology, Engineering and Maths.

The aim of the UTC is to serve young people across the Solent region and our admissions policy will ensure that fair criteria and transparent processes will apply in the event that the UTC is oversubscribed.

Applications procedures

Students have the option to join the UTC at the beginning of either year 10 or year 12. For entry to year 10, applicants will apply to Portsmouth City Council. Applications to join UTC Portsmouth in year 12 will be made directly to the UTC.

Year 10 applications procedure

The application deadline for year 10 is the 31 October 2016, and offers are made on 1 February 2017. The UTC will consider all applications for places and where there are fewer than the PAN for year 10, an offer of a place will be made to all applicants.

If more applications are received than there are places available, then places will be allocated in line with the UTC Portsmouth’s oversubscription criteria below.

Year 12 applications procedure

Applications for year 12 will be made directly to UTC Portsmouth, either online on UTC Portsmouth’s website (www.utcportsmouth.org) or via the paper form, which will be available on request. The UTC will consider all applications for places and where there are fewer applicants than the PAN for year 12, a conditional offer of a place will be made to all applicants who are predicted to achieve the minimum academic requirements. (Exceptions to this rule will be made where an applicant has previously been permanently excluded twice from any schools and the date of the last permanent exclusion is within two years of the application closing date as set out in section 3.8 of the School Admissions Code.)

The application deadline is 15 January. All supplementary information to support your application will be required to be received by UTC Portsmouth by the 7 February; conditional offers based on our minimum academic requirements, will be made on the 15 February, these will places will be confirmed the Monday after the GCSE results day, provisionally 21 August 2017.

The minimum requirements for entry onto any Level 3 course (90 places) are 5 GCSEs at A*-C, including maths GCSE and at least grade D in English language GCSE. Subjects to be studied at A level will require at least GCSE grade B to have been achieved in that subject. Entry criteria for individual

Call the Admissions Team on 023 9268 8008 or email admissions@portsmouthcc.gov.uk
courses/pathways will be published via the prospectus and online.

There will also be 10 places available on a one year Level 2 course to prepare students for Level 3 study in Y13. The minimum criteria for this will be 5 GCSEs at A*-E, including at least a grade D in maths, E in English language and D in at least one science subject. Students that apply to a Level 3 course but subsequently do not achieve the required grades may be offered a place on this course subject to availability.

Procedures where UTC Portsmouth is oversubscribed

If the UTC is oversubscribed, applicants with statements of Special Educational Needs (SEN) or Education, Health and Care Plans (EHCP) where the UTC is named on the statement or EHCP will be admitted first. Thereafter, in the event of oversubscription, the following criteria will be applied in the order in which they are set out below:

1. Looked after children and previously looked after children.

2. Children eligible for the pupil premium, including the service premium. See ‘further information and definitions’ below for guidance on who this applies to.

3. Remaining places will be allocated randomly (via computer generated allocation programme) within each zone as follows:

   i) 33.4% of remaining places allocated to applicants resident at postcodes in Zone A, which will include all postcodes in the City of Portsmouth and Havant.

   ii) 33.3% of remaining places allocated to applicants resident at postcodes in Zone B, which will include all postcodes in Fareham, Gosport, Southampton and Eastleigh.

   iii) 33.3% of remaining places allocated to applicants resident at postcodes in Zone C, which will include all postcodes in The Isle of Wight, Chichester, East Hants, Winchester and Arun.

   iv) If any zone(s) is/are undersubscribed then remaining places will be split evenly between the remaining zone(s).

4) Any remaining places will be allocated to children who live outside the main zones and will be prioritized to those who live closest to the UTC, based on the shortest distance from home to school, measured on a straight line. (See ‘further information and definitions’ for further information on distance measurement.)

Tie-break

Should there be a need for a tie breaker for two or more applicants that cannot be otherwise separated, the decision will be made by independently verified random selection (drawing of lots) to determine which applicant is offered a place.
Guide to criteria and additional information on admission policies

NOTE: Not all schools have the criteria below. You must check the schools policy. If the criterion is not in the policy then it cannot be considered in allocating places eg. medical evidence cannot be considered for schools without this criterion.

Looked After Children
These are defined as children who are looked after by a local authority, i.e. in their care or provided with accommodation by the authority for a continuous period of more than 24 hours.

Children who were previously looked after*, but ceased to be so because they were adopted or subject to a residence or special guardianship order. A copy of the relevant court order will be required.

*A child is considered as ‘Looked After’ as defined in section 22(1) of the Children Act 1989. A child is considered ‘Adopted’ as defined in section 46 of the Adoption and Children Act 2002. Residence order- as defined in section 8 of the Children Act 1989. Special guardianship order – as defined in section 14 a of the Children Act 1989

Medical, physical, psychological or social need
If your child or a family member has a significant medical, physical, psychological or social need which relates to your school application, please tick the relevant box on application form and attach supporting evidence to your form. All evidence must be sent together with the application form. The evidence must be in writing from your doctor or other appropriate professional involved with your child’s health, wellbeing or your specific family circumstances. In all cases evidence must show why it is appropriate that your child attends your preferred school and why other schools in the city are inappropriate.

Please note that many children experience anxiety linked to changing schools or leaving friendship groups and this will not usually be considered a significant medical or psychological need.

All applications received under this category are considered by a multi-disciplinary team of the local authority.

Failure to attach supporting evidence will delay the progress of your application and/or result in it not being considered under this criterion. It is your responsibility to provide the necessary to support your application. All information given will be treated confidentially. If you are in any doubt about whether or not to include details, please contact the Admissions Team for further advice.

Catchment areas
A catchment area is a geographical area defined by the council. The idea of having a catchment area is to give some priority for the admission of children living in the local area of the school. Please note - living in the catchment area does not guarantee a place at the school. Your catchment area determined by your home address (the child’s permanent residence). Further details of the individual school’s catchment area is provided on the council’s website.

Sibling link
A sibling link is defined as a child’s brother or sister (living in the same household) already on roll and attending the school you have applied to or at an adjacent infant/junior school and who still be attending the school the following academic year. This category includes step-brothers/step-sisters; adoptive brothers/sisters living in the same household or children whose parents are married or cohabiting and live together within the same household. This does not include siblings who live in a different household. If you have twins, triplets or more children in the same household who are due to transfer into the same year group, please be aware that should the admission limit of a school be reached by admitting one child, your other child(ren) will be offered a place at the same school.
Please note: a sibling link at the school does not guarantee admission to the school.

Feeder schools
Junior schools have named feeder infant schools.
Secondary schools have named feeder junior/primary schools, see pages 62–63.
Attendance at a feeder school does not guarantee admission to a linked school.

Children eligible for service premium
Service premium is paid to eligible children of armed services personnel under S14 of the Education Act 2002
The service premium is designed to support children with parents serving in the regular British armed forces. Pupils attract the premium if they meet the following criteria:
• one of their parents is serving in the regular armed forces
• one of their parents served in the regular armed forces in the last 3 years
• one of their parents died while serving in the armed forces and the pupil is in receipt of a pension under the Armed Forces Compensation Scheme (AFCS) and the War Pensions Scheme (WPS).
Evidence may be required if none available from current educational setting.

Children of staff employed at the school (or school on an adjacent site)
 a) where the member of staff has been employed at the school for 2 or more years at the time at which the application is made, and or
 b) the member of staff is recruited to fill a vacant post for which there is a skill shortage

Distance measurement
Where it is necessary to prioritise applications the criterion will be prioritised based on the shortest distance from the child’s home to school, measured in a straight line ‘as the crow flies’. Distances will be measured using the council’s Geographical Information System (GIS). The Local Land and Property Gazetteer (LLPG) unique property reference co-ordinates will be used to represent the school, whilst home co-ordinates will be primarily derived from the LLPG, with Ordnance Survey’s ADDRESS-POINT® product used as support. Only distances measured by GIS will be taken into account for the purposes of the distance criterion. Should there be two or more identical distances, the prioritisation will be done by casting lots. The Admissions Team will arrange for this to be carried out by the LA’s Democratic Services who are independent of the school and the admissions process.

Pupil premium: applicable to Portsmouth UTC only
Children given priority under this criterion fall into the following categories:
• Children currently registered as eligible for free school meals
• Children who have been registered as eligible for free school meals any time in the last six years
• Children whose parent(s) are serving in the regular UK armed forces
• Children of ex-regular UK armed forces personnel who were serving in the last three years
• Children where at least one parent died while serving in the UK armed forces and the child in receipt of a pension under the Armed Forces Compensation Scheme (AFCS) and the War Pensions Scheme (WPS). Parents/guardians may be required to provide evidence of eligibility on request.

Subsequent sibling applications
Where the LA is unable to meet a parental preference in relation to a catchment school, the LA will have to allocate a place at a lower preference school or even allocate the next nearest school with places available. Parents may prefer to then try and get a place for another sibling at the same school. In such instances, this school could then be treated as the catchment school for subsequent sibling applications. Parents would have to notify the LA on application that they consider this exception applies. If the application was for the actual catchment school this criterion would still be applied. This would be applicable to Portsmouth schools who have catchment criterion as part of their admissions policy.

Fair Access Protocol
The Local Authority operates a Fair Access Protocol which prioritises admissions for certain categories of children. This protocol relates to admission applications during the year (but not the transfer of year 6 pupils from primary/junior to secondary schools or transfer of year 2 pupils from infant to junior schools in September 2017). The protocol takes priority above the school’s admission policy for those on a waiting list and the LA may require the school to admit above their published admission number.

Infant, junior and primary school allocation breakdown for 2016 intake

This section tells you how many applicants were successful, and admission criteria used in the allocation process. This information is for on-time applications only.

Please note the pattern of applications and places allocated changes from year to year, so 2016 trends may not give an indication of what will happen in September 2017.

Applications considered = applications remaining after applicants allocated to higher preference schools during the first stage of the allocation process.

Breakdown for Infant allocation

| School name              | Published admission limit for Sept 2016 | Total applications | Applications considered | School named on statement | Looked after child | Significant Medical, psychological or Social need | Catchment area | Sibling link | PRS | Staff Child | Distance (final) | Last place offered was on the criterion:

Starting school

When can my child start school?

According to the law, your child must attend school at the start of the term following their fifth birthday. However, in Portsmouth, most children will start school when they are four years old.

Generally, most pupils will attend school on a full-time basis by the end of September 2017. Parents will need to contact schools direct for information as starting arrangements will vary between schools.

Can I defer starting school for my child?

Where parents do not wish to take the opportunity for early admission, they can defer their child(ren)’s entry into school until the beginning of either the spring term or the summer term. Entry cannot be deferred beyond the beginning of term after the child’s fifth birthday, or beyond the academic year for which the admission is sought. Parents may also request that their child attends on a part-time basis until the child reaches compulsory school age.

Once your child has a place confirmed, any discussions about deferring or part time should be with the headteacher of the school.

To start school in September 2017, your child must be born on or between 1 September 2012 and 31 August 2013.

Summer-born children

If you are requesting that your summer-born child starts school in the following academic year, you must apply for the correct academic year in the first instance with your request and supporting evidence/information. The LA will then co-ordinate this request with your preferred schools.

If agreed in principle, you will then have to reapply for the following academic year as places cannot be reserved. If your request is not agreed, your application will be processed for the academic year you originally applied for.

Information on schools

Specific information on individual schools, such as opening times, school policies, uniform etc. can often be found in the school prospectus which can be obtained direct from the school or from the school’s own website. Links to school websites are available on the council website – www.portsmouth.gov.uk

Special educational needs
Many children and young people experience difficulties with learning at some point in their education. These are often temporary and are usually dealt with by the child’s school. A very small number of children have significant, complex or long term needs. These children might need a co-ordinated assessment of Educational, Health and Care needs. Some of these children may be issued with an Education, Health and Care (EHC) Plan - a legal document that describes special educational, health and care provisions and which school or further educational establishment the child or young person will attend.

Admissions arrangements for children with statements and EHCPs are managed by the local authority’s SEND team, and not the Admissions Team.

Further information about SEND and the admissions arrangements for children with statements or Education Health and Care Plans is available at:
Web: www.portsmouth.gov.uk
Phone: 023 9284 1238
Email: sen.education@portsmouthcc.gov.uk

Fair Access Protocol
The Local Authority and schools have agreed a ‘Fair Access Protocol’ for certain categories of school age children. This protocol relates to admission applications throughout the year (but not children starting school, transferring to junior or secondary school in September 2017). The protocol will take priority above the school’s admission policy for those on a school’s waiting list and may require schools to admit above their published admission limit.

Admission out of chronological year group
Children will usually be admitted into their chronological year group except in exceptional circumstances and with the agreement of the school. Where children may have missed school, been

Call the Admissions Team on 023 9268 8008 or email admissions@portsmouthcc.gov.uk
educated in another country or have been out of education, these problems can be addressed by additional support in the child’s chronological year group. For gifted and talented pupils, parents can discuss directly with a school the way it makes provision.

Elective home education (educating your child at home)

Parents and carers intending to elective home educate with their child must inform their child’s school in writing. If this is not done, the child will remain registered on their school’s roll. If your child is not at school, please inform the Local Authority of your intention to home educate by contacting the School Attendance Team (see details below).

School Attendance Team,
Floor 2, Core 5-6, Civic Offices
PO1 2EA.
Tel: 023 9284 1419
Email: ElectiveHomeEducation@portsmouth.gov.uk

Further details can be found at www.portsmouth.gov.uk

Concerns about your child’s education

If you have a concern about any aspect of your child’s education you should speak to your child’s teacher first. It is quite likely that you will be able to sort problems out this way. If not, you may then wish to raise the matter with the headteacher. If the issue is not resolved by the headteacher you can take it to the school governors. A copy of a school’s complaint procedure is available from schools on request.

For further information see www.gov.uk

Leave of absence in term time

Only headteachers can authorise a leave of absence in term time through a ‘leave of absence form’ which is available from schools. Parents are reminded that headteachers will decide on a case by case basis whether they will authorise this absence based on exceptional circumstances.

School meals
Portsmouth City Council is very keen to promote healthy eating, particularly for school age children. Primary schools in Portsmouth provide midday meals, offering a selection of meals, and vegetarian and special diet meals can be ordered. Primary school children may bring their own packed lunches. Most secondary schools in Portsmouth operate a cash cafeteria system at lunchtime. Some also offer a mid-morning snack service.

Free School Meals
Parent/carers of children who are entitled to any of the following benefits are entitled to free school meals:

- Income Support
- **Income based** Jobseekers Allowance
- **Income based** Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- The guarantee element of State Pension Credit
- Child Tax only, provided your annual household income (as by the evidence & customs) does not exceed £16,190
- Working Tax run-on-paid for 4 weeks after you stop qualifying for work Tax Credit
- Universal Credit

Universal infant free school meal
All pupils in year R, 1 and 2 will be able to receive a school meal at no cost to the parent/guardian. School meals in the city are healthy, tasty, social and fun and will help parents to save up to £400 per year.

If you require more information please contact the Family Information Service on 023 9283 4962.

School governors
Every school has a governing body, which is responsible for making sure the school provides a good standard of education for all pupils. The Headteacher has responsibility for the day to day school management and governors set school policies and aims together with the Headteacher. The governing body also make decisions about the school budget, buildings, staffing and ensures pupils progress satisfactorily through giving their support, challenge, accountability and strategic direction. It must also see that the school provides for pupils with special needs and plan for the school’s future. Induction training is free of charge and other training is offered to help governors in their role.

The governing body consists of a range of parents, staff, people appointed through the LA or Diocese and includes skill based governors. We are always keen to hear from people who have the skills to be a school governor. To find out more information on governance please go to our website at: [www.portsmouth.gov.uk](http://www.portsmouth.gov.uk) and search for school governor or email us at: governoradmin@portsmouthcc.gov.uk
Transport to school
Transport assistance to mainstream or special schools is provided to children based on specific criteria laid out in the Home to School Travel Assistance Policy. For further information contact 023 9283 4962 or visit www.portsmouth.gov.uk

Funded Early Education (three and four-year-olds)
Funded childcare places ensure that children from 3 years old have access to high quality early years education in readiness for school.

Your child will be eligible from the term after their 3rd birthday until they start school, regardless of household income or family circumstances.

Children are entitled to use up to 15 hours per week for 38 weeks of the year.

In Portsmouth there are a variety of providers offering the free entitlement including nurseries and childminders. Parents should consult with the provider of their choice with regards to what sessions are available.

Parents may not always be able to access their full entitlement at the times they want, with the provider of their choice. In these circumstances, parents should contact the Family Information Service who can provide information about other settings that offer the entitlement.

For further information about free Early Education Funding, approved settings, help with paying for childcare or general family enquiries, please contact the Family Information Service.

Apply online www.portsmouth.gov.uk/schooladmissions
Summary of how to apply for a starting school place or a junior school place

Step 1: Gain as much information as you can about the schools and admissions process
You are encouraged to request a copy of the school’s prospectus from the school and you can also ask about any open days or evenings. You are also advised to read the guidance notes on the application form and in this booklet. You can speak to the Admissions Team for advice and information on 023 9268 8008.

Step 2: Decide on your preferred schools
This should follow your visits to preferred schools and after you have considered the admission policies.

Step 3: Apply
Apply online from 7 November 2016 at www.portsmouth.gov.uk/schooladmissions or request and complete an application form.
You can state up to six preferences for starting school and three for junior, and must submit the online form or return the application form by Sunday 15 January 2017. Guidance notes for completing your application are attached to the form and in this booklet.
The final decision regarding which preference to state lies with you.

Step 4: Return the application form
Closing date Sunday 15 January 2017.
You will not be able to apply online after the closing date.
Failure to return your child’s application on time will seriously affect your child’s chances of being offered a place at your preferred school.
For children starting school
You should send your application to your first preference school if it’s a Portsmouth schools or to the Admissions Team.
For children transferring from infant to junior school, applications should be returned to your child’s current school.
If your child attends a school outside of the city or an independent school return the form to:
Admissions Team, Civic Offices, Guildhall Square, Portsmouth, PO1 2EA
! If you are posting your form we recommend you obtain proof of posting.
Any forms that arrive after this date will be regarded as late applications (see page 17 for exceptions).
We will acknowledge all on-time applications.
Please contact us if you do not receive an acknowledgement letter before March 2017.

Step 5: Allocation
Parents are advised of allocation via email (if applied online) or by letter sent on Tuesday 18 April 2017.
Summary of how to apply for a secondary school place

Step 1: Attend the open evenings/days
Portsmouth secondary schools’ open evenings/days will take place in September/October 2016 and the dates of these can be found on page 7. Help and advice sessions are also available for parents (details included with application pack).

Step 2: Decide on your preferred schools
This should follow your visit to a preferred school and after you have considered the admission policy. (See pages 37–52)

Step 3: Apply
Apply online from 9 September 2016 at www.portsmouth.gov.uk/schooladmissions or request and complete an application form.
You can state up to three preferences and must submit the online form or return the application form by Monday 31 October 2016. Guidance notes for completing the application can be found on the form and in this booklet.
The final decision regarding which preferences to state lies with you.

Step 4: Return the application form
Closing date Monday 31 October 2016
Failure to submit your child’s application on time will seriously affect your child’s chances of being offered a place at your preferred school.
If your child attends a Portsmouth primary/junior school, you can return the form to your child’s present school. If your child attends a school outside of the city or an independent school, return the form to:
Admissions Team
Civic Offices, Guildhall Square,
Portsmouth, PO1 2EA.

If you are posting your form we recommend you obtain proof of posting.
You will not be able to apply online after the closing date. Any forms that arrive after this date will be regarded as late applications. (see page 17 for exceptions).
The Admissions Team will acknowledge all on-time applications. Please contact the Admissions Team if you do not receive your acknowledgement letter before January 2017.

Step 5: Allocation
Parents are advised of allocations by email (if applied online) or by letter sent on Wednesday 1 March 2017.
